

BYLAWS OF SOUTHERN RIVERS ENERGY

INTRODUCTION

This introduction is part of the Bylaws of Southern Rivers Energy (the “Cooperative”). In a cooperative, bylaws set forth rules of governance of the cooperative and describe certain rights and obligations between the cooperative and its members. Bylaws constitute a contract between the member and the cooperative.

Throughout these Bylaws, certain words and phrases are used to indicate “defined terms.” A defined term is either set forth in Article XII at the end of these Bylaws (the “Definitions Article”) or, if included within the text, capitalized and enclosed within parentheses and quotation marks following the defined term’s definition when first used. The location at which a definition in this form is used is also provided in the Definitions Article. The defined terms are capitalized when otherwise used in these Bylaws.

ARTICLE I – MEMBERS

SECTION 1.01. Eligibility for Membership. Any individual or entity (“Person”) with the capacity to enter a legally binding contract with the Cooperative for generation, transmission, distribution, sale, supply or provision of electric power or energy (“Electric Service”) or any other goods or services reasonably related to the provision of Electric Service is eligible to become a Member of the Cooperative.

An Entity includes, but is not limited to, corporations of all types and locations, legally recognizable profit and non-profit unincorporated associations, business trusts, estates, partnerships, limited liability companies, limited liability partnerships, general and limited partnerships, the United States of America, foreign governments, the State of Georgia or any agencies or divisions thereof (collectively, “Entity”).

SECTION 1.02. Membership Procedures and Requirements. Unless these Bylaws provide otherwise, or the Board waives same, any eligible Person seeking to become a Member (“Applicant”), or who wishes to remain a Member, must, within a reasonable time of initially using or requesting to use the Cooperative’s Electric Service, complete the procedures and comply with the requirements stated in this Bylaw, Section 1.02, to the Cooperative’s reasonable satisfaction (“Membership Procedures and Requirements”).

- (a) Each Applicant or Member must complete and sign a written membership application in form and substance described by the Cooperative from time to time. Such membership

application shall include, without limitation, the Member's agreement to:

- (1) comply with and be bound by the Cooperative's Articles of Incorporation, Bylaws, rates, tariffs, Service Rules and Regulations and membership application and any other reasonable rules and regulations from time to time adopted or amended by the Cooperative, as well as any supplemental or separate contract between the Applicant and the Cooperative (the "Membership Documents"); and
 - (2) take Electric Service from the Cooperative and pay for same based on such rates and terms as the Cooperative may from time to time prescribe.
- (b) Each Applicant or Member must:
- (1) pay or make satisfactory arrangement for the payment of any past-due indebtedness owed by the Person to the Cooperative, together with interest as may be due under the Membership Documents;
 - (2) pay or make satisfactory arrangement for the payment of such security deposit, membership fee, contribution-in-aid-of-construction, service connection deposit or any combination of same and such other fees or charges as may be required pursuant to the Membership Documents in effect at the time application is made; and
 - (3) satisfy all other reasonable conditions and requirements established for membership from time to time by the Board of Directors.

SECTION 1.03 Exceptions to Membership Procedures and Requirements. Notwithstanding the foregoing, an eligible Person is automatically a Member of the Cooperative and consents to being a Member upon:

- (a) initially using or requesting to use Electric Service provided by the Cooperative;

- (b) receiving written notice from the Cooperative that Electric Service has been or is to be provided by the Cooperative, which notice includes a copy of the Cooperative's Bylaws and Service Rules and Regulations, and further states, in substance:
 - (1) that the Person is automatically a Member and is deemed to consent to being a Member and bound by the Cooperative's enclosed bylaws and Service Rules and Regulations as they may be hereafter adopted or amended, upon initially using or requesting to use Electric Service provided by the Cooperative; and
 - (2) that unless the Person notifies the Cooperative in writing within ten (10) days of the Cooperative providing such notice that such Person does not consent to being a Member.

SECTION 1.04. Joint Membership. A legally married husband and wife may apply for a Joint Membership or may convert an existing membership held by either to a Joint Membership, and subject to their compliance with the Membership Procedures and Requirements set forth in Section 1.02 of this Article, may be accepted for membership ("Joint Membership").

The term "Member" as used in these Bylaws shall be deemed to include a legally married husband and wife holding a Joint Membership, and any provisions relating to the rights and liabilities of membership shall apply equally with respect to the holders of a joint membership. Without limiting the generality of the foregoing, the following principles shall apply in respect to joint Members:

- (a) Notice to either shall constitute notice to both.
- (b) The presence at a meeting of either or both shall be regarded as the presence of one (1) Member and shall constitute a joint waiver of notice of the meeting.
- (c) A waiver of notice signed by either or both shall constitute a joint waiver.
- (d) The vote of either separately or both jointly shall constitute one (1) joint vote. Should joint Members disagree as to how a vote should be cast, each joint Member shall be entitled to cast a one-half (1/2) vote.

- (e) A consent signed by either or both shall constitute a consent for both.
- (f) Suspension, expulsion or withdrawal of either shall terminate the joint membership and suspension shall suspend the Joint Membership.
- (g) Either, but not both concurrently, may be a candidate for, elected or appointed as a member of the Board of Directors, PROVIDED that both meet the qualifications of the office.
- (h) Upon the death of either joint Member, membership shall be held solely by the spouse; however, the estate of the deceased shall not be released from any debts due the Cooperative.

SECTION 1.05. Obligations of Members and Applicants for Membership. In consideration of the Cooperative providing Electric Service, each Member shall comply with any reasonable requirement of the Cooperative which enhances the Cooperative's ability to provide safe and reliable Electric Service to the Member and other Members and to reduce the cost of same. Without limitation, each Member shall:

- (a) purchase from the Cooperative, as soon as Electric Service shall be available, all central station electric energy, capacity and electric distribution service purchased for use on or to serve the premises to which Electric Service is provided by the Cooperative at the request of the Member or the Member's agent, unless temporarily prevented from doing so by causes reasonably beyond the control of the Applicant or Member, and pay therefore, including any monthly amount that may be charged without regard to the amount of electric energy and power actually used under terms and at rates provided in the Membership Documents;
- (b) comply with and be bound by the Membership Documents and any other reasonable rules and regulations from time to time adopted by the Board of Directors;
- (c) upon request by the Cooperative, execute and deliver to the Cooperative grants of easement or rights-of-way over, on and under lands owned by the Member in accordance with such reasonable terms and

conditions as the Cooperative may require for the construction, operation, maintenance or relocation of the Cooperative's facilities, lines and equipment;

- (d) pay all sums due the Cooperative under the Membership Documents. (When the Member has more than one service connection from the Cooperative, or other indebtedness owed to the Cooperative, any payment by or on behalf of a Member to the Cooperative shall be deemed to be allocated and credited on a pro rata basis to the Member's outstanding accounts for all such service connections or indebtedness, notwithstanding that the Cooperative's actual accounting procedures do not reflect such proration.);
- (e) have control and total responsibility for all electric wiring, apparatus, equipment and facilities beyond the point where the Cooperative's service wires attach to the Member's service entrance or, if no service entrance exists, the Member's wiring. In this connection, the Member shall be responsible for and shall indemnify the Cooperative, its employees, agents and contractors against death, injury, loss or damage resulting from any defect in or improper use or maintenance of the Member's premises, wiring, apparatus, equipment and facilities receiving or utilizing electric energy;
- (f) make available to the Cooperative a suitable site, as determined by the Cooperative, to place the Cooperative's physical facilities for the furnishing and metering of Electric Service and shall permit the Cooperative's authorized employees, agents and independent contractors to have access thereto at all reasonable times safely and without interference from hostile dogs or any other hostile source, for meter reading, bill collecting and for inspection, maintenance, replacement, relocation, repair or disconnection of such facilities; and
- (g) Be the Cooperative's bailee of such facilities and shall accordingly desist from interfering with, impairing the operation of or causing damage to such facilities, and shall prevent others from so doing. In the event such facilities are interfered with, impaired in their operation or damaged by the Member, or by any other

Person, the Member shall indemnify the Cooperative and its employees, agents and contractors against death, injury, loss or damage resulting therefrom, including but not limited to, the Cooperative's cost of repairing, replacing or relocating any such facilities and its loss, if any, of revenues resulting from the failure or defective functioning of its metering equipment.

SECTION 1.06. Suspension of Membership and Reinstatement of Membership. Upon the failure of a Member to pay for Electric Service within the time required, or upon the Member's failure to comply with the Member's obligations set forth in the Membership Documents, which failure results in the Cooperative's termination of Electric Service to the Member's premises, the membership rights of the Member shall be suspended for a period of sixty (60) days from the date that the Electric Service was terminated. If the Member, within the sixty (60) day period, shall pay all sums required by the Cooperative's Membership Documents and shall satisfactorily rectify any other non-compliance with the Membership Documents, and the Cooperative reinstates Electric Service to the premises of the Member, the membership rights shall be automatically reinstated.

Other than the right to receive retired and refunded Capital Credits, and other than rights upon the Cooperative's dissolution, a suspended Member forfeits and relinquishes all rights provided in the Membership Documents. In particular, a suspended Member forfeits and relinquishes any voting rights provided by law, the Articles of Incorporation or these Bylaws. A suspended Member, however, remains subject to all obligations imposed by the Membership Documents.

SECTION 1.07. Withdrawal. Any Member may withdraw from membership upon payment in full of all debts, liabilities and obligations of the Member to the Cooperative and in compliance with such other terms and conditions as the Board of Directors may prescribe.

SECTION 1.08. Termination of Membership. A Member will be deemed to have withdrawn and terminated his membership in the Cooperative upon the Board of Directors adopting a resolution terminating the membership following the occurrence of any one of the following:

- (a) A voluntary withdrawal from membership by a Member as provided in Section 1.07 of this article.
- (b) The death or cessation of existence of Member.
- (c) A Member who shall fail to reinstate a membership suspended in accordance with Section 1.06 of this Article.

- (d) A Member who, for a period of sixty (60) days after electric service is available to the Member, has failed to purchase electric service from the Cooperative.
- (e) Ceasing to purchase electric energy from the Cooperative.

Upon the termination of a Person's membership for any reason, the Board of Directors, as soon as practicable after such termination is made known to it, shall, by appropriate resolution, formally acknowledge such termination, effective as of the date on which the Cooperative ceased furnishing Electric Service to such Person.

SECTION 1.09. Expulsion. A Member may be expelled from membership pursuant to such reasonable terms and conditions as may from time to time be adopted by the Board of Directors.

SECTION 1.10. Effect of Withdrawal, Termination and Expulsion. Upon the withdrawal, termination or expulsion of a Member, the membership of such Person shall terminate. Termination of a membership shall not release any Member or the Member's heirs, administrators, executors, successors or assigns from any debts due the Cooperative. Upon a Member's termination, the Cooperative, after deducting any amounts owed the Cooperative, shall return any deposit paid by the Member and held by the Cooperative.

ARTICLE II - MEETINGS OF MEMBERS

SECTION 2.01. Annual Meeting. The date and place for the Annual Meeting of the Members shall be set by Board resolution each year, **PROVIDED, HOWEVER**, that such date shall be between April 30 and November 1 and such place shall be within a county served by the Cooperative, and, **PROVIDED, FURTHER**, that the date and place so selected shall be designated in the notice of the meeting ("Annual Meeting"). The Annual Meeting shall be for the purpose of electing directors in uncontested elections, announcing the result of contested director elections, receiving reports covering the previous fiscal year and transacting such other business as may properly come before the meeting. Nothing in these Bylaws shall be construed, however, to authorize the consideration of any matter which, under these Bylaws, the Articles of Incorporation or any provision of law, are required to be, but have not been stated in the notice of the Annual Meeting. It shall be the responsibility of the Board to make adequate plans and preparations for the Annual Meeting. Failure to hold the Annual Meeting at the designated time shall not work a forfeiture or dissolution of the Cooperative.

SECTION 2.02. Special Meeting. Special meetings, or a special meeting in lieu of the Annual Meeting of Members, may be requested by a vote of not less than two-thirds (2/3) of the Board of Directors, upon the written request of not less than two-thirds (2/3) of the Board of Directors currently in office, or upon the written request of not less than ten percent (10%) of the Members of the Cooperative (“Special Member Meeting”). The written request of Members shall:

- (a) be contained on one or more pages, each of which must describe the purpose of the Special Member Meeting;
- (b) contain the Member’s dated signature and adjacent thereto, the signing Member’s printed name and address; and
- (c) be submitted to the Secretary of the Cooperative within sixty (60) days following the first Member signature.

Upon submission of a complete and valid request to the Secretary of the Cooperative, it shall be the duty of the Secretary to promptly cause notice of such meeting to be given to the Members. A Special Member Meeting may be held at such place within a county served by the Cooperative as designated by the Board of Directors on such date not sooner than fifteen (15) days after the submission of a complete and valid request is received by the Secretary of the Cooperative, and beginning at such hour as determined by the Board of Directors and specified in the notice of the Special Member Meeting. If, within thirty (30) days of receiving a complete and valid written request from Members, the Cooperative fails to properly notify the Members of the Special Member Meeting, then a Member signing a written request may reasonably set the time, place and location of the Special Member Meeting and properly notify Members of same.

SECTION 2.03. Notice of Members’ Meetings. The Cooperative shall provide written notice to each Member of record then entitled to vote at an Annual Meeting, stating the place, day and hour of the meeting (and in case of a properly requested Special Member Meeting, the purpose or purposes for which the meeting is called). Such notice may be provided by any means provided in Section 7.11 of these Bylaws. The failure of any Member to receive notice of an Annual or Special Member Meeting (collectively “Member Meeting”), which has been given by means described in Section 7.11, shall not invalidate any action which may be taken by the Members at any such meeting.

SECTION 2.04 Waiver of Notice. Notice of any Member Meeting need not be given to any Member who signs a waiver of notice either before or after the Member Meeting. Attendance of a Member in person or by proxy at a Member Meeting shall of itself constitute waiver of notice and waiver of

any and all objections to the place of the meeting, the time of the meeting or the manner in which it has been called or convened, except when a Member attends a Member Meeting in person or by proxy solely for the purpose of stating at the beginning of the meeting any such objection or objections to the transaction of business.

SECTION 2.05. Record Date.

- (a) For the purpose of determining Members entitled to notice of or to vote at a Member Meeting or any adjournment thereof, or in order to make a determination of Members for any other proper purpose, the Board of Directors may provide that the membership books shall be closed for a stated period not to exceed ninety (90) days;
- (b) In lieu of closing the membership books, the Board of Directors may fix, in advance, a date as the record date for any such determination of Members, such date in any case to be not more than ninety (90) days prior to the date on which the particular action requiring such determination of Members is to be taken;
- (c) If the membership books are not closed and no Record Date is fixed for the determination of Members entitled to notice of or to vote at a Member Meeting, the date on which notice of the meeting is mailed to all Members shall be the Record Date for such determination of membership or, if such notice is not mailed to all Members on the same date, the date five (5) days prior to the meeting shall be the Record Date for such determination of membership;
- (d) When the determination of Members entitled to vote at any Member Meeting has been made as provided in this Section 2.05, such determination shall apply to any adjournment thereof unless the Board of Directors fixes a new Record Date for the adjourned meeting.

SECTION 2.06. Quorum. Representation of at least one hundred fifty (150) Members of the Cooperative in person or by proxy shall constitute a quorum for conducting any item of official business by Members. Members who submit a mail-in ballot in a contested director election in accordance with these bylaws shall be counted only toward the quorum with respect to the contested director elections. A majority of the Registered Members present and voting in person or by proxy may adjourn the meeting from time to time whether or not a quorum is present. When a meeting is adjourned to another

time or place, it shall not be necessary to give any notice of the adjourned meeting if the time and place to which the meeting is adjourned are announced at the meeting at which the adjournment is taken; and at the adjourned meeting, any business may be transacted that might have been transacted on the original date of the meeting.

SECTION 2.07. Representation of Entity Members.

An officer of an Entity, an individual having general authority to act for an Entity with respect to obtaining, monitoring and paying for Electric Service from the Cooperative, or other duly-authorized individual shall, unless determined otherwise by the Credentials and Election Committee, be deemed authorized to execute the Entity's proxy or vote the membership of such Entity Member ("Entity Representative").

SECTION 2.08. Proxies.

At all meetings of Members, a Member may vote by proxy executed in writing by the Member, indicating the date the proxy is given. Such proxy shall not be voted at any meeting of the Members unless it shall designate the particular meeting at which it is to be voted, and no proxy shall be voted at any meeting other than the one so designated or any adjournment of such meeting. No person shall act as proxy for any Member unless such person named as proxy is a Member of this Cooperative ("Member Proxy"). No Member Proxy shall vote as proxy for more than three (3) Members at any meeting of the Members and no proxy shall be valid after sixty (60) days from the date of its execution. The presence of a Member at a meeting of the Members shall revoke a proxy theretofore executed by him, and such Member shall be entitled to vote at such meeting in the same manner and with the same effect as if he had not executed a proxy.

In case of a joint membership, a proxy may be executed by either the husband or wife. The presence of either husband or wife at a meeting of the members shall revoke a proxy theretofore executed by either of them and such joint member or members shall be entitled to vote at such meeting in the same manner and with the same effect as if a proxy had not been executed.

SECTION 2.09. Registration.

In order to participate at a Member Meeting, a Member, the Member's proxy, or an Entity Representative on behalf of the Member must register with one or more persons designated by, or under the authority of, the President/CEO ("Member Meeting Registrar"). Unless determined otherwise by the Credentials and Election Committee, upon registration, such Member shall be deemed present and authorized to participate in the Member Meeting ("Registered Member").

SECTION 2.10. Voting.

Each Member who is not in a status of suspension shall be entitled to only one vote upon each matter submitted to a vote of the Members. Members shall vote by mail-in ballot in contested director elections, as

provided in these Bylaws. At all Member Meetings at which a quorum is present, the affirmative vote of a majority of the Registered Members represented at the meeting shall be the act of the membership unless the vote of a different number is required by these Bylaws, the Membership Documents or by law; PROVIDED, however, when a quorum is once present to organize a meeting, the Registered Members present may continue to do business at the meeting or at any adjournment thereof, notwithstanding the withdrawal of enough Registered Members to leave less than a quorum.

SECTION 2.11. Ballots. As soon as practicable after the time for making nominations is closed, the Credentials and Elections Committee shall meet and determine the persons duly nominated and shall cause ballots to be prepared for each director election for which there is more than one nominee. Each ballot shall:

- (a) have printed thereon the name of each person duly nominated, the manner by which each nomination was made and identify the incumbent, if any;
- (b) have printed thereon or be accompanied by instructions as to the method by which a vote for a particular candidate shall be indicated;
- (c) have printed thereon a notice as to the time and date by which the ballot must be received at the address designated for the receipt of ballots; and
- (d) such other information as the Credentials and Elections Committee shall deem appropriate to assist the members in casting their ballot.

SECTION 2.12. Distribution of Ballots. If there is a contested election, the Credentials and Elections Committee shall prescribe the form of the ballots and cause the ballots to be mailed, not more than ninety (90) days prior to the date of the Annual Meeting, to members in good standing on the record date set by the Cooperative.

SECTION 2.13. Conduct of Election. If there is a contested election with voting by mail, each Member desiring to vote shall mark his ballot according to the instructions of the Credentials and Elections Committee and shall return the ballot on or

before the date specified by the Credentials and Elections Committee and set forth on the ballot. The only ballots which shall be counted are those that:

- (a) are cast by Members in good standing as of the record date set by the Cooperative;
- (b) have been received at the designated place on or before the date and time specified by the Credentials and Elections Committee; and
- (c) comply with all requirements of these bylaws and the rules and regulations and instructions prescribed by the Credentials and Elections Committee.

SECTION 2.14. Rules of Order. Parliamentary procedure at any Member Meeting shall be governed by the most recent edition of *Robert's Rules of Order*, except to the extent such procedure is otherwise controlled by law, the Articles of Incorporation or these Bylaws. Any failure to conduct the meeting in compliance therewith, however, shall not render invalid any action taken at the meeting unless objection citing such failure is made at the time such action is taken.

SECTION 2.15. Credentials and Election Committee. The Board of Directors, shall, at least one hundred twenty (120) days before any Member Meeting, appoint a Credentials and Election Committee ("Credentials and Election Committee"). The Credentials and Elections Committee shall automatically disband and have no further authority upon the completion of its duties arising from the Member Meeting for which it was appointed. The Credentials and Election Committee shall consist of an uneven number of Members not less than three (3) nor more than fifteen (15). Credentials and Election Committee members shall not be members of the Nominating Committee, Cooperative employees, directors or candidates for director or a Close Relative of any of the foregoing persons. In appointing the Credentials and Election Committee, the Board may consider the equitable representation of the several areas served by the Cooperative. The Board shall appoint a chairman and a secretary.

It shall be the responsibility of the Credentials and Election Committee:

- (a) to establish or approve and oversee the manner of conducting Member registration and voting, including approving the form and content of the ballots for election of directors and the

systems and procedures for distributing, mailing, returning, collecting, verifying and counting the same;

- (b) to rule upon all questions that may arise relating to Member registration, voting and the election of directors, including, without limitation:
 - (1) ruling upon any dispute or question concerning the validity of petitions of nomination and the eligibility of candidates for election to the Board of Directors;
 - (2) ruling upon any dispute or question concerning the eligibility of any individual who presents themselves to vote on behalf of themselves, for an entity or as a proxy, whether by mail or in person at a Member Meeting;
 - (3) ruling upon any dispute or question concerning the validity of any proxy;
 - (4) ruling upon all other questions that may arise with respect to the registration of Members;
 - (5) ruling upon the effect of any ballots or votes irregularly or indecisively marked or cast;
 - (6) tabulating all ballots or other votes cast in any election or in any other matter; and
- (c) upon the request of the Board of Directors, to rule upon the eligibility of any sitting director or candidate for director; and
- (d) to serve as arbitrators for any protest with respect to whether an individual is qualified to run for director, the registration of Persons as Registered Members, participation of Persons in mail-in voting, and any ruling or vote count made at a Member Meeting or regarding mail-in ballots and voting. Such protest must be in writing, signed by one or more Members ("Protestor(s)"), and filed with the Chairman or Secretary of the Credentials and Election Committee or their designee(s) not later than 5:00 p.m., on the third (3rd) business day following the adjournment of the meeting in

which the voting is conducted or election results are announced. The Credentials and Election Committee shall be reconvened, after the Chairman's notice to all affected candidates. The Credentials and Election Committee shall hear such evidence as is presented by the Protestor(s) and any affected candidate, all of whom may be heard in person, by counsel, or both. The Credentials and Election Committee shall, within thirty (30) days after such hearing, render its decision. The Credentials and Election Committee shall act by majority vote and may not act on any matter unless a majority of the Credentials and Election Committee is present at a meeting. The Credentials and Election Committee's arbitration decision on all matters covered by this Section shall be final.

The Cooperative shall make available to the Credentials and Election Committee the advice of counsel and the services of accountants, clerical staff and such members of the Cooperative staff as the committee may reasonably require to fulfill its duties.

SECTION 2.16. Protest. Any protest relative to whether an individual is qualified to run for director, the registration of Persons as Registered Members, the participation of Persons in mail-in voting, the validity of proxies, and any ruling or vote count made at a Member Meeting or regarding mail-in ballots or voting shall be submitted to binding arbitration pursuant to the procedure provided in Section 2.15(d) above.

- (d) who is financially interested in an enterprise or organization that competes with the Cooperative, or a Close Relative of someone financially interested in an enterprise or organization that competes with the Cooperative, except that such financial interest is, in the judgment of the directors, excluding the director in question, so inconsiderable and incidental as not to pose a reasonable prospect of a conflict of interest;

No Board Member, nor Close Relative of a Board Member, may serve on such committee. In making such nominations, the committee shall keep in mind the principal of equitable representation. The committee shall report such nominations to the Secretary of the Board or such other appropriate officer not less than one hundred twenty (120) days before the meeting. The Nominating Committee shall also cause the following persons to be informed whether or not he was nominated: each nominee and/or any person who submitted a written request for nomination to the Nominating Committee but did not receive such nomination.

SECTION 3.05. Notice of Nominees. The Secretary shall be responsible for posting at the headquarters of the Cooperative the nominees for the election made by the Nominating Committee and by petition.
