

DO WE OWE YOU MONEY?

Capital Credits: Claiming the Unclaimed

PART OF THE DIFFERENCE OF A CO-OP

When you signed up for electric cooperative service with Southern Rivers Energy, you became a member of a non-profit cooperative. As a non-profit cooperative, SRE does not technically earn profits. Instead, any revenue left over after covering operating expenses and setting aside funds for emergencies is allocated back to our members. These allocations are called capital credits.

WHAT'S THE DIFFERENCE BETWEEN ALLOCATED AND RETIRED CAPITAL CREDITS?

Allocated capital credits appear as an entry on the permanent financial records of the association and reflect your equity or ownership in Southern Rivers Energy. For example, the assignment for residential and farm members for 2024 was 15.8% of the year's total billing. If the total amount you paid for your electric service (minus taxes) in 2024 was \$1,200, your account was allocated 15.8% of that amount, or \$189.60. These assigned credits remain on the books in your name until SRE's board of directors decides to retire them in the future.

When capital credits are retired, a check is issued to you, and your equity in the co-operative is reduced. Checks are generally issued 20–30 years after the year in which the margins were earned.

HOW ARE THE CAPITAL CREDITS BE RETURNED TO ELIGIBLE MEMBERS?

Eligible members who received capital

credits for the designated year and still have active SRE accounts will receive a bill credit on their November or December bill, depending on their billing cycle.

Former members who are receiving capital credits will receive their refund by check in the mail. If members have moved out of SRE's service area, they are responsible for keeping their address current in our records. Please call us at 770-358-1383 to update your address.

I RECEIVED A CHECK IN THE MAIL, BUT IT'S IN THE NAME OF A FORMER RESIDENT. WHAT SHOULD I DO?

We send checks to the last known address of former SRE members. Please mark "Return to Sender" on the envelope and place it back in the mail.

WHAT HAPPENS TO MY CAPITAL CREDITS IF I MOVE OUT OF SRE'S SERVICE AREA?

The capital credits you earned during your membership will be sent to you as they are retired. It is the member's or beneficiary's responsibility to keep SRE informed of address changes. If a check is returned, the member's name will be listed in the Undeliverable Capital Credits list. You can find the most recent list below.

CAN A RELATIVE CLAIM MY CAPITAL CREDITS IF I DIE BEFORE THEY ARE RETIRED?

SRE requires proof that you are the legal recipient of the deceased member's estate. You must present all documents

establishing heirship and sign a claim form. Please contact us at 770-358-1383 if you see a relative listed on the unclaimed capital credits list.

IMPORTANT NOTICE: CAPITAL CREDITS REFUND UPDATE

In December, Southern Rivers Energy assigned capital credits for a portion of the year 2003. However, some refund checks could not be delivered due to outdated or insufficient addresses. Below is a list of all capital credits refund checks from the 2003 partial retirement that have been returned by the U.S. Post Office.

If you believe you are due a refund but have not received a check, or if you recognize a name on the list, please contact Customer Service.

For more information or to view additional lists, visit southernriversenergy.com/capital-credits. **To claim a refund or if you have questions, please contact Customer Service at 770-358-1383 or toll-free at 877-358-1383.**
